

Loan Program

Written by BMH
Friday, 09 April 2010 12:00

Boone Memorial Hospital in cooperation with the Auxillary to BMH have funds to provide to all local students a scholarhip/loan program for college classes in the medical profession. When you have been accepted into a medical program please stop by the auxillary and get an application to see if you qualify for the possible payment of tuition and books at the college of your choice.
