

Boone Memorial Health provides Physical Therapy, Sports Medicine, Orthopaedics, and Speech Therapy services from a 6,000 sq. ft. facility that houses technologically advanced equipment along with the convenience of free, upfront parking. Even more, we provide access to some of the region's most trained, experienced, and credentialed therapists who individualize rehabilitative programs designed to result in excellent clinical outcomes.

Tricia Maynard-McClung, PT, Director

Tricia graduated in 1996 from East Carolina with a BS in Physical Therapy, and Queens College, Charlotte, NC, in 1994 with a BA in Psychology. A native of Boone County, Tricia is the Director of BMH Rehabilitation Services and has been an integral part of growing our service offerings for over 22 years. She has more than 24 years of experience specializing in the treatment of spine, orthopaedic, and sports medicine conditions. Tricia is involved in numerous civic and community activities and was inducted into the 2022 Hall of Fame for basketball at Sherman High School in 2021.

J. Michael Elliott, DPT, OCS, Certified MDT

Mike graduated from West Virginia University with a BS in Physical Therapy and a Doctorate in Physical Therapy from Creighton University, Omaha, NE, and has over 29 years of clinical experience. Mike joined an elite few when he became Board Certified in Orthopaedic Physical Therapy in 2007 and Certified in the Mechanical Diagnosis and Treatment of the Spine by the McKenzie Institute. Mike is certified in Dry Needling® and the Graston® Technique, which are advanced treatment techniques offered to our patients. Additionally, he is trained in the LSVT BIG and LOUD program for patients suffering from Parkinson's Disease.

Nick Shreve, PTA

Nick is a graduate of Fairmont State University and has over 14 years of clinical experience. He has extensive experience in geriatric rehabilitation and is a key member of our inpatient program for acute and skilled patients. Nick is a native of Boone County and has been an assistant football coach at Scott and Van High Schools.

Beth Shreve, PTA

Beth attended Marshall University and graduated from Mountwest in 2011. She works in both inpatient and outpatient departments and has spent the last nine years focused on geriatric rehabilitation training where she has worked in long term care, assisted living, and acute skilled physical therapy.

Alicia Clark, MS/CCC-SLP

Alicia attended Marshall University and graduated with a BS and MS in Communication Disorders. Alicia has over 16 years of experience as a Speech-language Pathologist in a variety of settings including acute care, skilled care, inpatient rehabilitation, outpatient rehabilitation, and home health. Alicia is certified to administer VitalStim™ therapy—the only FDA-cleared technology of its kind used to treat dysphagia. She is also trained in the LSVT LOUD program for Parkinson's Disease patients who suffer from voice impairments.

We are accepting patients and want to be your go-to local provider of therapy services.
